FIXIN'S

OUR STORY

Latin Fixin's was established in 2012 as a catering company, a year later we expanded adding our biggest food truck – Big Fixin's. Since then we've been adding food trucks to the fleet. Each one is equipped with state-of-the-art industrial kitchens and professionally wrapped. We have partnered with some of South Florida's top venues and are now at **Doral Yard** in Doral open seven days a week.

Our foods are fresh, locally sourced and of the highest quality. We focus on providing impeccable and courteous service. We understand that food and service are the essence of a successful event.

Our goal is to continue to expand, grow and innovate in the Catering and Food Truck scene. We are excited to see where this journey takes us.

OUR CONCEPT

Latin Fixin's bridges the traditional Peruvian flavors and cooking styles with contemporary American comfort food, offering a unique fusion that the customer won't find anywhere else.
